

Ensuring a Safe Return to Trade Shows and Events

As the trade show and event industry reopens, we have the capabilities to you get back to business safely.

- 1 Hanging Signs (Stock or Custom)**
Colorful, high-quality hanging signs made out of aluminum tubing and pillowcase graphics catch the eye from across the room and are made in the USA.
- 2 Direct Mail**
Our comprehensive direct mail services create excitement about your return. Great for pre- and post-show touchpoints.
- 3 Aluminum Extrusions with SEG**
Silicone edge graphics (SEG) complete custom booth structures. Available in opaque, backlit or both.
- 4 Clear Partitions**
Clear silicone edge vinyl (CSEV) can be used to create custom transparent partitions. Lightweight and easy to transport.
- 5 InStep Carpet Floor Graphics**
Carpeted floor graphics delineate your space and help guide foot traffic, aiding in social distancing. Print a custom InStep carpet that covers the entire space or just a portion such as a perimeter graphic.
- 6 Acrylic Kiosks and Partitions**
Standalone kiosks with acrylic partitions protect the health of your employees and attendees alike.
- 7 Hand Sanitizer Stations**
Hand sanitizer stations reinforce that safety remains your top priority. Select from stock designs or custom graphics.
