

## Print-on-Demand Plus Kitting and Fulfillment

Combining flexible print production with turnkey kitting services

As one of the five largest graphic communications companies in North America, Taylor maintains a vast network of print production and warehouse facilities from coast to coast. This network is interconnected through a unified scheduling platform that enables us to provide fast-turn print and bindery services as well as storage, kitting and distribution — all through a single source.

### Print-on-Demand Capabilities

#### Commercial Digital Color

- Folded brochures
- Greeting and thank-you cards
- Marketing sell sheets
- Perfect-bound booklets
- Saddle-stitched booklets

#### Training Materials
